Parbold Parish Council Notes

Contact by e-mail: parboldpc.clerk@yahoo.com

It is the time of year when judges start to wander around Parbold, assessing the village as part of the 2024 Lancashire Best Kept Village competition. In the past we have had so many very lovely comments about our village, but also every year the same issues are raised – litter and weeds. The Parish Council would be very grateful if everyone could do their bit to keep the roadsides, car parks and pedestrian areas clear of litter, and if businesses could ensure that their frontages are weed free. Even more important is the prevention of dog fouling in these areas, as complaints have been received about this problem from local shopkeepers. Lets have our village looking its best this June and July!

The Parish Council are continuing to query with the Borough Council and the Canal and Rivers Trust to establish what is happening with the final stretch of canal towpath between the Alder Lane and Mill Lane bridges. It is appreciated that this is a concern for many of you and the Parish Council will endeavour to push for its completion. Likewise, the situation with the railway underpass is still being progressed with Network Rail, with grateful help from members of OPSTA (Ormskirk, Preston and Southport Travellers Association).
