PDML 2024-2025 Season – Autumn Series

The Auditorium, Parbold Village Hall, WN8 7DN

Saturday 12th October 2024: Anna Tsybuleva, piano “... superb pianism and intelligent musicianship” - Gramophone Magazine. Anna Tsybuleva’s winning performance at the Leeds International Piano Competition in 2015 propelled her into the spotlight, and she has been in demand on the international circuit ever since. Anna’s early experiences were quite different from the life she now leads on the world’s greatest concert platforms. She grew up in a small village in the Caucasus mountains, where nature and the beauty of her surroundings proved a constant source of inspiration. These beginnings have fed into her uniquely captivating performance style, perfectly suited to the intimate Auditorium of Parbold Village Hall. For her performance in Parbold she explores the musical worlds of Rachmaninoff and Debussy, revealing the contrasts in their much-loved, and also less familiar, preludes.

Saturday 2nd November 2024: Kosmos Ensemble. Harriet MacKenzie, violin, Meg-Rosaleen Hamilton, viola, Miloš Milivojević, accordion “Revelatory ... brilliantly done with style” - The Telegraph

Kosmos Ensemble is amassing a fantastic reputation for delighting both audiences and critics, redefining the relationship between classical and world music through its groundbreaking performances. Harriet, Meg and Milos have crafted a programme unique to Kosmos, inspired by music from all around the globe. Wild Gypsy fiddling, emotive Jewish and Greek music glide seamlessly into hot-blooded tango, alongside interpretations of Japanese, Polish and Swedish songs, Scottish reels, new arrangements by and for the ensemble, with references to classical composers including Corelli, Satie, Piazzolla, Brahms and Sarasate.

Parbold Parish Council Notes

Contact by e-mail: parboldpc.clerk@yahoo.com

As we approach autumn falling leaves can cause a problem on roads and pavements. Leaves blown out of properties can block drains and road gullies, which can lead to flooding issues. Don't forget that you can report any such issues directly to LCC via the **Love Clean Streets** App or on the website, along with other problems like pot holes and pavement obstructions.

After a successful grant bid to Sport England in association with Shevington Sharks RFC, work has started on improving the rugby pitch on Alder Lane. This six year programme includes scarifying the ground to prepare it for fertilising and overseeding and the Parish Council asks that care be taken to protect this area whilst these improvement works are ongoing.

The Parish Council are still actively pursuing the issue of flooding in the underpass. After initial investigation of the cause of flooding, further progress is required to ensure that this area drains freely and this involves groundworks in areas of private property where the drains flow from the underpass. The Parish Council will continue to push for completion of this work.
